

INTERNAL REVENUE SERVICE FORM W-9
REQUEST FOR TAXPAYER
IDENTIFICATION NUMBER AND CERTIFICATION

The Internal Revenue Service (IRS) Form W-9 provides information pertaining to your Taxpayer Identification Number (TIN) and Payee name. All Payee information is captured from the W-9. The Department uses this information to issue payments and report provider year-end earnings to the IRS.

THE INFORMATION ON THE W-9 MUST CORRESPOND WITH THE INFORMATION REGISTERED WITH THE IRS.

If you have multiple locations and use a different TIN for the other locations, you must submit a separate W-9 for each TIN.

Note: If the Payee listed on the W-9 is different from the applicant, please complete and submit the Power of Attorney for Payee.

The Department reserves the right to request confirmation of the Taxpayer Identification Number. Acceptable forms of confirmation are a copy of the applicant's Social Security card, Federal Tax Deposit Coupon (Form 8109), or other correspondence from the IRS.
